21st December 2023

Dear Parents/Carers

Thank you, as always, for your support during this Autumn Term. As always, we live and breathe our school motto 'Together We Succeed'. This is at the heart of everything we do. All staff at Furrowfield School want the very best for all our students whatever the curriculum pathway they are on. We continue to develop our curriculum pathways and have added Business Studies and Computing to our academic curriculum and hair dressing and barbering to our vocational pathways. We have also further developed our clubs and societies adding crafting and sculpture and performing arts to the clubs and societies we offer.

It was lovely to see so many parents/carers attend our Year 7 Welcome Evening, our Key Stage 3 and Key Stage 4 Parent/Carer afternoons and our Macmillan Coffee morning.

Our school site continues to develop with our new automated gates having been installed and we continue to work on improving the Learning Environment across the school.

We are looking forward to our Spring Term which will start on Monday 8th January 2024 at 8.50am with breakfast club being available from 8.30am. Please ensure your son/daughter, child in your care is in full school uniform for the start of term. Please do not hesitate to contact us if you would need support with this. We continue to work with our young people regarding their physical and mental health including promoting water intake, lots of sleep, eating properly, not using vapes and being very careful when using the internet or social media. We will continue to work on these aspects of personal development in the Spring Term as well as our main Year Group curriculum areas.

This leaves me to say I hope you all have a wonderful Christmas and very best wishes for 2024.

With festive wishes

Miss H E Scott
Head Teacher
