23rd May 2025

Dear Parents/Carers

At Furrowfield School we have had a great start to the summer term. All of our students and staff are working very hard and are looking forward to the last half term of this academic year. We continue to make improvements on our campus with further developments designed, funded and ready to be started as soon as we break up for summer. This will include an extension to our Therapeutic Assessment and Support Centre, which will be in full use from September 2025. This will support our students with cardio, music, art, lego, regulation nature and music therapy. We are very excited about these developments. In the main school we will be further expanding our curriculum adding additional computing courses and a modern foreign language for those students who would like to study this.

This half term has been a great one with many students making real academic and social and emotional progress. Students have also been involved in clubs and societies including chess, music, dungeons and dragons, science, nature, lego, cooking and painting. We have also had two SMSC drop down days. These were for the VE Celebrations and our second which focused on the Earth and Beyond. Our SMSC Day next half term will focus on careers through Our Futures Day.

We look forward to seeing you on Monday 30th June 2025. Our admin team will be in touch regarding appointments. This is a very important Parent and Carer afternoon as the progress your son/daughter has made over the academic year will be discussed.

That leaves me to say have a lovely half term. I hope the weather manages to stay the same as the last two weeks. Please do encourage your son/daughter, child in your care to go outside but please also emphasise keeping safe both outside and online.

We look forward to welcoming all students back on Monday 2nd June 2025 from 8.30am for the start of the school day which is 8.45am. All students should continue to be in full school uniform with plain black trousers or formal shorts **with no logos**, a cornflower blue polo shirt, fully plain black shoes or trainers with **no logos**. **Trainers or shoes should be fully black with no white soles**. If any parent/carer would like support regarding the purchasing of school uniform please do contact the school on 0191 4954700.

With very best regards and thanks

Miss H E Scott
