20<sup>th</sup> October 2025

Dear Parent/Carer

Thank you for all your support this half term. It has been a busy one with our new accommodation in TASC (Therapeutic Assessment and Support Centre), our values programme bungalows being opened and our very own forest school opening on site. This has added to our recently opened Reading Room, cardio room and fitness suite ensuring that we have state of the art facilities for all students within Furrowfield School.

We have inspiring teaching and learning within our ever expanding curriculum which now includes French language and culture, computer studies, reading for careers and a full therapeutic support programme. This is supported through events such as the Curiosity Kitchen when two Olympians came to school to promote healthy eating and healthy minds. Our annual Macmillan Coffee morning had a French twist this year, supporting the World Mental Health Day, and we now also have Ben from the Therapy Dogs Nationwide our very own therapy dog, who has his own timetable supporting specific students.

We have also welcomed our new Year 7 students and had a very successful parent/ carer afternoon with the families of these students. We also opened our Values Programme for KS4 Girls in their very own purpose-built accommodation.

It has been a very busy half term but a tremendously rewarding one.

Just as a reminder we have our Staff Training Day on Friday 24<sup>th</sup> October when school will be closed to students. We look forward to welcoming all students back on Monday 3<sup>rd</sup> November at 8.30am for breakfast club in full school uniform including black trousers or tailored shorts, blue polo shirts and black shoes or trainers with black shoes with no large logos.

Just some advance notice on Friday 7<sup>th</sup> November we will have our annual Remembrance Respect Day when we will have, as well as many other events, a Spitfire on the school site.

So, this half term has certainly been one to be proud of with much to look forward to in the future.

With very best regards

Heather Scott  
Head Teacher
