28th September 2026

Dear Parents and Carers,

As we start another busy week at Furrowfield School, I would like to share some of the highlights from Week 4 and look ahead to what we have planned for next week.

Year 6 Open Afternoon

On Wednesday, we were delighted to welcome prospective Year 6 students and their parents and carers to our Year 6 Open Afternoon. It was wonderful to see such excellent attendance and to have the opportunity to introduce families to Furrowfield School.

Visitors were able to tour the school and see the wide range of facilities and provision available to support our students, including our Therapeutic Assessment and Support Centre (TASC), Reading Room, sports facilities, classrooms and science lab.

Macmillan Coffee Morning

We also held our Macmillan Coffee Morning, which this year had a fantastic Spanish theme as al students are learning Spanish this year. The event was extremely busy and it was lovely to see so many parents, carers and students coming together to support such a worthwhile cause.

We apologise to anyone who had to wait a little longer than usual to be served. The fantastic turnout certainly kept everyone busy. Thank you for your patience, generosity and support in helping to make the morning such a success.

Supporting Student Health

This week, our Year 7 students also took part in the flu immunisation programme delivered by the School Immunisation Team. We are grateful to the team for supporting the health and wellbeing of our students as part of their Year 7 programme.

Looking Ahead to Week 5

We have another exciting week ahead. Our students will be:

- Selected members of our football teams will be taking part in a Wanderers Sports Tournament - we will keep you posted on the results (always great to take part but even better when we win!)
- Having their annual school photographs taken
- Celebrating World Smile Day in assemblies this week

Our Word of the Week will be Identity. We will encourage students to think about what makes each of us unique, the qualities and values that shape who we are, and the importance of recognising and respecting individuality.

Our Furrowfield Way focus will be Being Reflective, linking closely with our Furrowfield Way approach. We will encourage students to think about their experiences, learn from them and never give up, even when they face challenges.

Thank you, as always, for your continued support and for being such an important part of the Furrowfield School community. Weeks like this demonstrate what we can achieve when students, families, staff and our wider community work together.

Together We Succeed.

Yours sincerely,

Miss Heather E. Scott
