24<sup>th</sup> May 2024

Dear Parents/Carers

Thank you as always for your support this half term. It has been a fast moving one. Our Year 11 students have started all their GCSE examinations and BTEC modular exams. These carry on into next half term. Our Year 10 have started their qualifications quest and have taken Functional Skills Level 1 examinations in English and Mathematics. We continue to broaden our curriculum provision and will be introducing Music into this in September.

I am pleased to say that we will be getting new computers across Furrowfield School. These will be installed during half term. This is a huge investment for the school and we have explained to the students how they need to look after these. (We have mentioned that any deliberate damage will have to be paid for and will be reported to the police.) We hope these will add to student research capacity and further support learning.

We continue with our site and learning environment improvements. We are expanding as a school and have increased both our teaching staff and numbers of teaching assistants. We have also waved goodbye to Mrs Lowther who has retired after 20 years at Furrowfield School. All staff and students wish her a long and happy retirement with many wonderful adventures.

We look forward to a happy and safe half term for everyone and have emphasized road safety, online safety and safety near water with all our students.

We look forward to welcoming all our students back on Monday 3<sup>rd</sup> June 2024 for breakfast club from 8.30am with school starting at 8.50am. All students should be in full school uniform of a powder blue polo shirt, black school trousers, plain back shoes or trainers with no logos.

With very best wishes

Miss H E Scott  
Head Teacher
